

Affordable Audio Services Provided by **JSW Concepts**

Making attention grabbing commercials for your broadcast unit takes time and some creativity. Our ad copy personnel have years of experience in song and jingle writing which can help you create great ads. Professional recordings will increase your customer response and generate more revenue by increasing up selling opportunities. Using just the information you give us about your sales promotion, business features and benefits or advertising specials, we can piece together exciting ads for you to rotate on your broadcast unit.

Choose monthly, weekly or even daily rotations keeping your ads fresh and exciting! JSW Concepts creates studio quality commercials for your broadcaster unit at an affordable price!

JSW Concepts will :

- Write the script and include information you provide!
- Record your commercial professionally!
- Add licensed background music to your commercial!
- Add special effects if desired!
- Have your finished CD's mailed to you within 7-10 business days!
- Get spots emailed to you within 72 hours!
- **INCLUDES FREE SHIPPING!**
